

Imanishimwe Dominique Savio

KK 737 Street, Gikondo, Kigali, PO BOX 4285, Kigali | dominicxavio09@gmail.com | WhatsApp: +250783423442

EDUCATION

Liquidnet Family High School @ Agahozo-Shalom Youth Village

Rwamagana, Rwanda

Advanced Level

Expected Graduation: July 2027

- Private, full English instruction school in Rwamagana, Rwanda
- **Combination:** Mathematics, Physics, and Computer Science

PROJECTS & TECHNICAL EXPERIENCE

Full-Stack & Hardware-Software Integration Developer

Currently

- **Software & AI:** Architect intelligent software solutions using Python (Django, Flask, LangGraph), JavaScript/TypeScript (React, Next.js, Node.js), and C++
- **Databases & Cloud:** Leverage PostgreSQL, MongoDB, and Supabase alongside advanced API design to build high-performance backend routing, structured data logging, and real-time streaming pipelines.
- **System Integration:** Engineered real-time data features, including custom live messaging and metrics synchronization directly connected to cloud databases.

3D Designer(CAD:Computer Aided Design)

Currently

- **Concept to Reality:** Translate complex physical concepts into accurate, fabrication-ready digital models.
- **Mechanical CAD Modeling:** Utilize SolidWorks to design precise mechanical parts, multi-component assemblies, and physical environments optimized for real-world simulation.

Electronics & Embedded Systems (Arduino)

Currently
2024 – still now

- **Automation Systems:** Designed, wired and programmed custom automated systems and automated repairs for school infrastructure and personal engineering builds.
- **Microcontroller Firmware:** Skilled at utilizing Arduino IDE (C/C++) to write low-level firmware and prototype complex electrical circuits.

LEADERSHIP & ACTIVITIES

Head Boy (2 years) — Ordinary Level

2020 – 2022

- Led the student body, coordinated large-scale events, managed student concerns, and directly supported school administration

Minister of ICT and Innovation — currently

- **Technological Leadership:** Spearhead the digital vision and technological initiatives for the entire school community, driving engagement with advanced software and hardware concepts.

ADDITIONAL INFORMATION

Languages: English, Kinyarwanda (proficient)

Certifications: AI essential from ALX Africa , Head Boy for two years in ordinary level

Interests: Mechatronics & Robotics, Physics & Advanced Engineering, and Intellectual Challenges
